## PREMIUMS AND PREMIUM RATES

**PAYMENT OF PREMIUMS.** The Group Policyholder is responsible for paying all Premiums as they become due. Payment of any Premium will not keep insurance in effect beyond the due date of the next Premium, except as stated in the Grace Period.

**GRACE PERIOD.** A Grace Period will be allowed for the payment of each Premium after the first. The Grace Period is shown on the Schedule of Benefits. The Policy will remain in effect during the Grace Period, unless the Group Policyholder gives Us advance written notice of termination. The Group Policyholder will remain liable for payment of the pro rata Premium for the time the Policy remained in force during the Grace Period.

**PREMIUM RATE CHANGE.** We may change any Premium rate:

- (1) the Date the Policy's terms are changed;
- (2) the Date Our liability is changed due to a change in federal, state, or local law, regulation, or administration of such law or regulation;
- (3) the Date Our liability is changed because the Group Policyholder (or any covered division, subsidiary or affiliated company) relocates, dissolves or merges, or is added to or removed from the Policy;
- (4) the Date any insurance for one or more classes ceases to be provided under the Policy;
- (5) the Date the number of Insureds changes by 15% or more from the enrollment on the Date the Policy took effect, or the most recent rate guarantee Date expired, if later; or
- (6) on any Premium due Date after the Policy's first anniversary, or any later rate guarantee Date agreed upon by Us, provided such rate change is based upon at least 12 months of experience and is not made more often than once every 6 months.

We will apply any experience rating refund payable under the Policy to reduce the Group Policyholder's contribution to Premium, and will pay any excess amount to the Group Policyholder. The Group Policyholder will apply the excess amount for the sole benefit of Insureds.

**PREMIUM AMOUNT.** The amount of Premium due on each due Date will be the sum of the products obtained by multiplying each rate shown in the Premium Rate Schedule by the amount of insurance to which the rate applies and then adding the monthly billing fee, if any.

Premium adjustments will not be pro-rated daily. Instead, Premium will be adjusted as follows:

- (1) when an Insured's insurance or an increase takes effect, Premium will be charged from the monthly due Date coinciding with or next following that change;
- (2) when all or part of an Insured's insurance terminates, the applicable Premium will cease on the monthly due Date coinciding with or next following that termination; and
- (3) when Premiums are paid other than monthly, increases or decreases will result in adjustment from the Premium due Date coinciding with or next following that change.

The above manner of charging Premium is for accounting purposes only. It will not extend insurance beyond a Date it would have otherwise terminated. Each Premium payment will include any adjustments in past Premiums which are needed due to changes that have not yet been taken into account. If a Premium adjustment involves a return of unearned Premium, the refund will be limited to the prior 12-month period.

## POLICY TERMINATION

**TERMINATION BY US.** We may terminate the Policy on the due Date of any Premium if:

- (1) the total number of Insureds is less than the minimum number of Insureds shown in the Schedule of Benefits;
- (2) part of the Premium is paid by Insureds and the minimum participation is less than what is shown in the Schedule of Benefits;
- (3) the Group Policyholder, without good cause, fails to:
  - (a) promptly furnish any information We reasonably require; or
  - (b) perform its duties pertaining to the Policy in good faith;
- (4) We terminate all policies that provide critical illness insurance in the same state in which the Policy was issued; or
- (5) federal, state, or local law otherwise requires the Policy to be terminated.

To terminate the Policy, We must give the Group Policyholder advance written notice of Our intent to do so. The Policy termination notice period is shown in the Schedule of Benefits.

**TERMINATION BY GROUP POLICYHOLDER.** The Group Policyholder may terminate the Policy at any time by giving Us advance written notice. Insurance will then terminate:

- (1) on the Date We receive the notice; or
- (2) any later Date We and the Group Policyholder have agreed upon.

The Group Policyholder remains responsible for the payment of Premiums to the Date of termination.

**AUTOMATIC TERMINATION.** If any Premium remains unpaid at the end of the Grace Period, the Policy will automatically terminate, without any action on Our part, effective on the last Day of the Grace Period. The Group Policyholder remains responsible for the payment of Premiums to the last Day of the Grace Period.

**EFFECT ON INCURRED CLAIMS.** Termination of the Policy will not affect benefits otherwise payable for a claim incurred while the Policy is in force.

**GENERAL PROVISIONS**  
**For**  
**Group Policyholder**

**ENTIRE CONTRACT.** The entire contract with the Group Policyholder includes:

- (1) the Policy and any amendments to it;
- (2) the Group Policyholder's application, if any;
- (3) any individual applications of an Insured or Insured Dependent; and
- (4) the Certificate for each class of Insured and any amendments to it.

**AUTHORITY TO MAKE OR AMEND CONTRACT.** Only a Company officer located in Our Group Insurance Service Office has the authority to:

- (1) determine the insurability of a group or any individual within a group;
- (2) make a contract in Our name;
- (3) amend or waive any provision of the Policy; or
- (4) extend the time for payment of any Premium.

No change in the Policy will be valid, unless it is made in writing, agreed upon by an underwriting officer, and signed by a Company officer as described above.

**INCONTESTABILITY.** Except for the non-payment of Premiums, We will not contest the validity of the Policy after it has been in force for two years from the Group Policy Effective Date. This clause does not preclude, at any time, the assertion of defenses based upon:

- (1) the Policy's eligibility requirements, exclusions and limitations; and
- (2) other Policy provisions unrelated to the validity of insurance.

In the absence of fraud, all statements made by the Group Policyholder are representations and not warranties.

**GROUP POLICYHOLDER'S AGENCY.** For all purposes of the Policy, the Group Policyholder acts on its own behalf or as the Insured's agent. Under no circumstances will the Group Policyholder be deemed Our agent.

**CURRENCY.** In administering the Policy all Premium and benefit amounts must be paid in U.S. dollars.

**WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE.** The Policy does not replace or provide benefits required by:

- (1) Workers' Compensation laws; or
- (2) any state temporary disability insurance plan laws.

**ACTS OF THE POLICYHOLDER.** In administering the Policy, the Group Policyholder must:

- (1) treat Employees the same in like situations; and
- (2) allow Us, without inquiry, to rely on its acts.

**NONPARTICIPATION.** The Policy is a non-participating policy. It will not share in Our divisible surplus.

**GENERAL PROVISIONS**  
**For**  
**Group Policyholder**  
**(Continued)**

**INFORMATION TO BE FURNISHED.** The Group Policyholder may be required to furnish any information needed to administer the Policy, including:

- (1) information about persons:
  - (a) who become eligible for insurance;
  - (b) whose amounts of insurance change;
  - (c) whose eligibility or insurance ends; or
  - (d) needed for underwriting purposes;
- (2) occupational information and other facts that may be needed to manage a claim; and
- (3) any other information that We may reasonably require.

We may inspect the Group Policyholder's records that relate to the Policy, at any reasonable time.

Clerical error by the Group Policyholder:

- (1) will not void or terminate insurance that otherwise would be in effect;
- (2) will not result in insurance that otherwise would not be in effect; and
- (3) will not continue insurance that otherwise would be terminated.

Once an error is discovered, an appropriate adjustment in Premium will be made. If a Premium adjustment involves the return of unearned Premium, the amount of the return will be limited to the 12-month period that precedes the Date We receive proof such an adjustment should be made.

**NEW EMPLOYEES.** Employees who become eligible after the Policy takes effect may be enrolled, in accord with the terms of the Certificate. (See the Eligibility and Effective Dates section of the Certificate.)

**CERTIFICATES.** The Group Policyholder will be provided with certificates of insurance for delivery to each Insured. The Group Policyholder is responsible for distributing a Certificate to each Insured. The Certificate for each eligible class is incorporated into and made a part of the Policy. The Certificate provisions will apply as fully as if they were included in the Policy.

**NOTICE CONCERNING COVERAGE  
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA  
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted *in the box* below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

**The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.**

**Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.**

**Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.**

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

## Coverage

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

## Exclusions From Coverage

**However, persons holding such policies are not protected by this association if:**

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange;
- They acquired rights to receive payments through a structured settlement factoring transaction.

**The association also does not provide coverage for:**

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy for a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered; or
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

## Limits On Amount Of Coverage

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay more than what the insurance company would owe under the policy or contract.
- (2) Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
