

HEALTH SAVINGS ACCOUNT (HSA)

Invest in your future with your Inspira health savings account

As an Inspira HSA customer, you have the opportunity to potentially grow your HSA balance by investing in a variety of mutual funds.

It's a fact — you can make tax-free contributions and tax-free withdrawals for eligible health care expenses. And any growth that occurs will also be tax free.¹ Use your HSA to help expand your ability to save for the future.

Get ready to invest your HSA

With a minimum balance in your HSA (typically \$1,000), you may choose to start investing your HSA dollars. This opens the door to benefits such as:

- Access to a diversified group of mutual funds, each professionally managed by a third-party investment adviser.
- Investment choices that earn top Morningstar® star ratings with an average of 4+ stars out of 5. Morningstar is a leading investment research firm.²
- Seamless investment capabilities with no transaction fees for trading.
- Move money from your investment account back to your cash account if you need those funds for health care.
